

§ 61.69

the special permission, decision, order or section of these rules).

If all the matter in a tariff publication is to become effective on less than the notice required in § 61.58, specific reference to the Commission authority must be shown on the title page. If only a part of the tariff publication is to become effective on less than the notice required in § 61.58, reference to the Commission authority must appear on the same page(s), and be associated with the pertinent matter.

(b) When a portion of any tariff publication is issued in order to comply with the Commission order, the following notation must be associated with that portion of the tariff publication:

In compliance with the order of the Federal Communications Commission in — (a specific citation to the applicable order should be made).

§ 61.69 Rejection.

When a tariff publication is rejected by the Commission, its number may not be used again. The rejected tariff publication may not be referred to as cancelled or revised. The publication that is subsequently issued in lieu of the rejected tariff publication must bear the notation

In lieu of —, rejected by the Federal Communications Commission.

§ 61.71 Reissued matter.

Matter in effect for less than 30 days and brought forward without change from another tariff publication must bear the appropriate symbol provided in § 61.54(i)(1) for reissued matter. The number and original effective date of the tariff publication in which the matter was originally published must be associated with the reissued matter.

§ 61.72 Posting.

(a) Offering carriers must post (i.e., keep accessible to the public) during the carrier's regular business hours, a schedule of rates and regulations for those services for which tariff filings are required and those services for which carriers exercise the option to file tariffs. This schedule must include all effective and proposed rates and regulations pertaining to the services offered to and from the community or

communities served, and must be the same as that on file with the Commission. This posting requirement must be satisfied by the following methods:

(1) Where the filing has an office or offices open to the public in states or territories of the United States, the carrier must post the schedule of rates and regulations in one office in each state or territory of its operation.

(2) A carrier must provide a telephone number for public inquiries about information contained in its tariffs. This telephone number should be made readily available to all interested parties.

(3) A carrier must post a notice in each business office of the carrier open to the public in that state or territory, stating the street address of the location in which the schedule of rates and regulations can be found and the telephone number for public inquiries on tariffs.

(b) The posting of rates and regulations for those services pursuant to paragraph (a) of this section shall be considered timely if they are available for public inspection at the posting locations within 15 days of their filing with the Commission.
